Gentlemen:

We have completed the audit of your books and records,
also the preparation of your Corporate Income Tax
Return.

Please have Mrs. Manley call at our office, bringing
with her your Corporation Seal, to sign the Return
and impress the Seal.

At the same time she can pick up your books, which will
be ready.

Your prompt attention to the above is necessary.

Very truly yours,

J. C. ABRAMSON AND COMPANY,
